AMENDMENT

To September 1999 Telecommunications Reporting Worksheet (FCC Form 499-S)

Notice to Individuals: Sections 54.703, 54.711, and 54.713 of the Federal Communications Commission's rules require all telecommunications providing interstate telecommunications services, providers of interstate telecommunications that offer interstate telecommunications for a fee on a non-common carrier basis, and payphone providers that are aggregators to contribute to universal service. 47 CFR Sections 54.703, 54.711, 54.713.

This collection of information stems from the Commission's authority under Section 254 of the Communications Act of 1934, as amended, 47 U.S.C. Section 254. The information will be used by the Commission and the Administrator to determine which carriers qualify for the international revenues exception that is being adopted in response to the the July 30, 1999 mandate of the United States Court of Appeals for the Fifth Circuit in *Texas Office of Public Utility Counsel v. FCC*, 183 F.3d 393 (5th Cir. 1999). The information requested in the Amendment worksheets is not otherwise available. Without such information the Commission could not determine contributions to the support mechanisms and, therefore, could not fulfill its statutory responsibilities in accordance with the Communications Act of 1934, as amended.

We have estimated that each response to this collection of information will take, on average, 2 hours. Our estimate includes the time to read the instructions, look through existing records, gather and maintain the required data, and actually complete and review the form or response. If you have any comments on this estimate, or how we can improve the collection and reduce the burden it causes you, please write the Federal Communications Commission, AMD-PERM, Washington, D.C. 20554, Paperwork Reduction Project (3060-0907). We will also accept your comments via the Internet if you send them to jboley@fcc.gov. Please DO NOT SEND COMPLETED WORKSHEETS TO THIS ADDRESS.

Remember -- You are not required to respond to a collection of information sponsored by the Federal government, and the government may not conduct or sponsor this collection, unless it displays a currently valid Office of Management and Budget (OMB) control number. This collection has been assigned an OMB control number of 3060-0907.

The Commission is authorized under the Communications Act of 1934, as amended, to collect the personal information we request in this form. We will use the information that you provide to determine contributions amounts. If we believe there may be a violation or potential violation of a statute or a Commission regulation, rule or order, your Worksheet may be referred to the Federal, state, or local agency responsible for investigating, prosecuting, enforcing, or implementing the statute, rule, regulation, or order. In certain cases, the information in our Worksheet may be disclosed to the Department of Justice, court, or other adjudicative body when (a) the Commission; or (b) any employee of the Commission; or (c) the United States government, is a party to a proceeding before the body or has an interest in the proceeding.

If you owe a past due debt to the Federal government, the taxpayer identification number (such as your social security number) and other information you provide may be disclosed to the Department of the Treasury Financial Management Service, other federal agencies, and or your employer to offset your salary, IRS tax refund, or other payments to collect that debt. The Commission also may provide this information to those agencies through the matching of computer records where authorized.

With the exception of your social security number, if you do not provide the information we request on the Worksheet, the Commission may consider you in violation of sections 1.47, 54.713 of the Commissions rules. 47 C.F.R. Sections 1.47, 54.713.

The foregoing Notice is required by the Privacy Act of 1974, Pl. 93-579, December 31, 1974, 5 U.S.C. Section 552(a)(e)(3), and the Paperwork Reduction Act of 1995, P.L. No. 104-13, 44 U.S.C. Section 3501, et seq.
